

Games that are particularly good for learning red/tricky words - those that can't be decoded and need to be learnt by sight.

- Pairs/palmenism – matching words the same
- Tray game/Word recall
- Spelling the whole word on your back.
- Look, cover/remember, write, check
- Word hunt – look remember and find
- Spell word aloud – my turn your turn but with 1st, 2nd 3rd letter etc
- Slowly reveal – from top/bottom/left/right
- Simple flashcards – place the words they are struggling on around the house for them to see all the time.
- Spot red words whilst out and about.
