

Mathematical Simple Simon Says

An active fun way to reinforce mathematical understanding

Do you know how to play the traditional game Simple Simon?

Use it to practice listening to instructions and reinforcing positional and shape vocabulary.

Simple Simon says...

Rec/Y1

... Put your hands on your head, under your feet, in your pockets, stand next to a tree etc.

...Or jump 5 times, clap 20 times etc,

... Or tiptoe after stamping your feet, hop on one leg before waving your hands etc

... Or find a circle, square, shape with 3 corners, 4 equal sides, find a sphere, cube, cuboid, cylinder, a shape with 6 faces etc.

Y1/Y2

... Make 1 complete turn clockwise, make 1 complete turn anticlockwise, make a half turn, make a quarter turn to the right, find a shape with a right angle, step to the left/right.
