

Make a board game from your favourite story book

Materials:

Card or paper
Felt tips or coloured pencils
A die or spinner
Counters

Instructions:

First draw a path on a big piece of card/paper and divide it into squares. Mark the start and the finish.

Choose some ideas from the book to be "action" squares on your game board. For example, if your book is *Room on the Broom*, you could have "Drop your wand, go back 2 spaces" or "The dog finds your hat, go forward 1 space"

Draw or print off pictures of the main characters. Cut them out and stick them onto your game board.

Grab some counters and a die and you are ready to play.
