

Pointillism – unleash your inner Van Gogh

Pointillism is a technique of painting in which small, distinct dots of colour are applied in patterns to form an image.

All you need is...

Cotton buds, plastic free if possible

sticks

plate for mixing
colours

fingers

paints

Vincent Van Gogh created this famous painting in 1888/9 by applying the technique of pointillism. He used paint brushes.

Challenge

Why don't you choose a flower and create your own painting using the technique of pointillism? You do not necessarily require a paint brush. All you need is the above tools and away you go. This activity is particularly good for hand eye coordination.
